

A pizza delivery guy, 17 maybe, climbs off his moped, trudges to a door and rings the bell. It flies open. There's Annie. Beaming.

ANNIE

Hello!

PIZZA GUY

12 inch 'Mess of Meats'?

Mitchell appears, scoops the pizza out of his hands, stuffs some money into his fist and disappears again

ANNIE

Thank you very much.

The Pizza Guy turns to go. But Annie isn't letting him get away that easily.

ANNIE (CONT'D)

So how long have you been delivering pizzas?

PIZZA GUY

Uh. Couple of months?

ANNIE

Could you drive a moped before or did they teach you?

PIZZA GUY

They taught us. We had to drive round and round a car park.

ANNIE

You like my top?

PIZZA GUY

I suppose.

ANNIE (enjoying the word)

Matalan. Bet you hate pizza. When you get home and your girlfriend asks what you want for your tea, I bet you're like "Not pizza!"

PIZZA GUY

I live with my dad.

ANNIE

Yeah? What's your dad's name?

PIZZA GUY

Duncan.

ANNIE

Ha! Madness! I'll see you later.

She shuts the door. Pizza guy doesn't move. What was that about?
