

PUBLICIST

(into headset)

I have Matt LeBlanc coming in.

(to Matt)

Morning and the Boys are here already. And you know Stoke's not coming, right?

MATT

How the hell did he get out of it?

PUBLICIST

He's shooting some V05 commercial.

MATT

Frigging hair!

PUBLICIST

The important thing is you're here. Everybody's very excited to talk to you.

MATT

Great. And I'm very excited about vodka. Can you get me vodka?

PUBLICIST

I can. Anything you need, I'm here.

MATT

Um, vodka.

PUBLICIST

Absolutely. First let's just go through a few quick talking points...

MATT

Yeah, yeah...

PUBLICIST

You're really psyched about "Pucks!" big move to Saturday. MATT Uh huh...

PUBLICIST

It's a great opportunity for the show. Feels like a fresh start.

MATT

Sure...

PUBLICIST

It's a chance to attract a whole new audience.

MATT

Anything else?

PUBLICIST

(off his deliberate look)
Vodka.

MATT

There you go.
